I did a training program of Investment Banking at Wizenius which had equipped me with all the skills that are necessary to get into Investment Banking. The practicality of the program and the tasks involved really made the program amazing. I think most programs outside focus theories but this program focused more on making models practically and was more action-driven.

After having those pre requisites that are required to get into IB, I had received calls from Citi, SBI Capital markets, Incred Capital, Ambit Capital, O3 capital , Singhi Advisors , Apollo Global ,PWC, Deloitte etc.(IB domain) and HSBC , Morgan Stanley, Sicomoro, EY, Mckinsey & Co etc.(Non IB domain)

Finally I'll be joining Citi in their Investment Banking division. I would thank Pratik Sir for his guidance throughout the entire interview process.
